

AMENDMENTS TO THE SPECIFICATION

In the Specification:

Please **AMEND** the specification as shown by, at page 14, line 8, after the sentence ending in "wiring are crossed," inserting the following:

--As illustrated in FIGS. 6 and 7, for example, the cranked shape of the non-continuous part may comprise two or more segments of the transparent electrode being connected at ninety degrees relative to each other. Fig. 6 illustrates 3 such segments, while Fig. 7 illustrates five such segments. Other numbers of segments may also be used.--
